

The Banquet Seating layout uses both conference rooms A and B. There are three sets of entry/exit doors into the conference room. When you walk through the first door, there is a buffet on the left-hand side at the front of the room, and at the back of the room towards the right-hand side are windows looking out at the Cleveland skyline.

This layout features 15 round tables running from the front to the back of the room, with eight chairs around each table. There are 120 seats in total. There is room for a bar in the back corner of the room beside the windows if needed, and space for buffet tables at either the front or the back of the room.
